Framing question related to student learning goal from my last session:	
Description of student work that demonstrates changes in student learning:	
What I noticed about the student's ability to do similar work as a result of the instructional changes ...	

This protocol was originally written in the 1990s/2000s. We encourage you to purchase an NSRF membership to access newer materials and to enroll in CFG Coaches' Training to access all of the updated materials and to develop a more thorough, experiential understanding. Protocols are most powerful and effective when used within an ongoing professional learning community such as a Critical Friends Group[®] and facilitated by a skilled coach. To learn more about professional learning communities and seminars for new or experienced coaches, please visit the National School Reform Faculty website at www.nsrffharmony.org.
