NSRF is a non-profit, professional development initiative that focuses on increasing student achievement through a specific variety of professional learning communities. Part of Harmony Education Center, we train educators to coach Critical Friends Group communities. CFG communities use NSRF protocols and activities to facilitate meaningful and efficient communication, problem solving, and learning.

Paid membership helps us continue to provide NSRF materials via our **website**, as well as support our mission to offer training across the nation and world. We encourage you to support the **Lois Butler Scholarship fund** so that any teacher could participate in a training regardless of ability to pay our fee.

Shout-out to researchers

Have you written a thesis or dissertation on a topic associated with Critical Friends Group® work or NSRF® protocols?

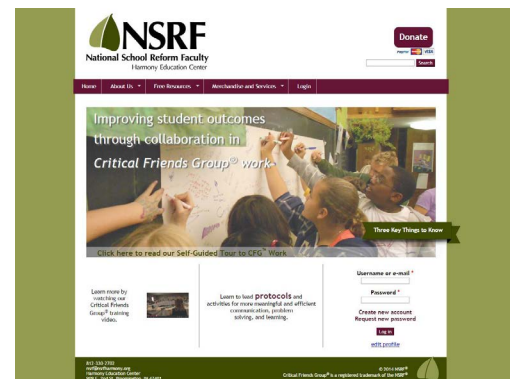

Now and then, we hear from someone seeking published research on the efficacy of Critical Friends Group® work, or the use of protocols in the classrooms. We're happy to share research we have on file, but realize that it's a bit dated. We expect some of you can point us to fresher research. If you know of any studies we should know about, too, please contact luci@nsrfharmony.org. Thanks so much!

Shout-out to EVERYONE!

What do you think? How are we doing with the new design and content of Connections, and with the new website?

We're working hard to eliminate bugs and add all current members and member-coaches to the new website. We really want to hear feedback from you, whether you have warm or cool feedback to share ... especially if you're having a problem finding something you need!

Please send comments of any variety to luci@nsrfharmony.org. We appreciate it!
